

We are fortunate enough to have a wonderful woodland and meadow. Some of our work for this topic will take place outdoors. It would be a good idea for each pupil to have a pair of wellies or outdoor shoes available at school at all times along with a change of clothing and a waterproof coat.

Our PE day changes every week so please ensure that your child always has a PE kit in school.

Homework – Maths and literacy homework will be given out on a Friday to be returned by Wednesday. Spellings will be given out every Monday to be tested on the Friday of that week.

If you have any concerns or questions please do not hesitate to contact me.

Around the World

Class 1
Spring 2

This term we will be covering the topic of 'Around the World'

Literacy

In literacy, Class One will read the novel 'Around the World in 80 days.' They will use the structures of stories from other cultures stories to create their own versions. We will also be considering the features of both formal letters of complaint and persuasive writing.

Maths

Class One will be continuing to work on written methods when adding, subtracting, multiplying and dividing. We will be developing strategies to use when solving word problems and mental maths questions. Class One will also focus on measuring angles and finding co-ordinates.

Science

In science this half term, Class One will consider the different plants and animals found in different habitats and how animals and plants in two different habitats are suited to their environment.

RE

This half term, Class One will be considering what matters most to them and why. They will look at the lives of other people and decide what matters most to them. We will also allow children the opportunity to stand back and consider 'Who was Jesus?' from their own point of view and view of others in the past and today when learning about Easter.

Geography

In geography, Class One will describe and explain how and why places are similar to and different from other places in the same country and elsewhere in the world.

Art

This half term we will be evaluating art and pattern from around the world. We will be using a variety of approaches to communicate our observations and ideas to design and make images and artefacts. We will be looking at the use of colour, pattern, line and shape and how these elements can be combined and organised.

SEAL

The SEAL topic this half term is *Good to be Me*. Throughout this topic Class One will focus on understanding their feelings as well as considering their strengths and weaknesses as learners.

ICT

In ICT, Class One will be sharing and exchanging information, through animation, using iPads and storyboards.

PE

We will be covering both tag rugby and athletics in PE this half term. Our rugby sessions will allow us to further develop our invasion games skills.
