

# Sport Premium Funding 2016/17

## What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools for the last three academic years (2013-14, 2014-15 and 2015-16). The funding amount schools receive is based upon the number of children of primary age the school has at January of that year. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport. At Ebchester School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. The 2016-17 Sport Premium funding for Ebchester School is £8335.

The money will be used for:

1) Investing in the Leisureworks Service Level Agreement (£3000) to provide the school with the following:

- Liaise with the school to develop an annual bespoke P.E. & Sport action plan.
- Provision of 60 hours of High Quality Coaching support across a variety of sports.
- A full organised annual programme of competitions/tournaments/festivals in addition to the National School Games.
- Participation, inclusion and excellence opportunities.
- Provision of an after-school activity in every term in a variety of sports.
- Promotion and development of links to local sports club.
- Central co-ordination of school sport programmers in Leisureworks area.
- Young leaders training for Year 5 pupils

## Additional ways we have prioritised the Sport Premium.

£1000 towards the cost of transport to attend festivals and competitions

£800 to replenish and supplement sport equipment

£200 to hold an annual sports day and promote healthy lifestyles

£500 towards payment for quality coaching in rugby

£2300 to pay for outdoor adventurous activities not available in school

# IMPACT:

The Sport Premium Funding has impacted our school in the following ways:

The delivery of high quality physical education is paramount. With the support of Leisureworks and their highly trained coaching team the children receive high quality instruction in a broad range of sports. The teachers in school support and take part in lessons and benefit greatly from this in school training.

Last year all children had the opportunity to take part in multiple inter-school festivals and competitions. Attending local sporting events is vital to promote healthy competition with the children. All take part in intra-school activities and those who are gifted and talented or more able in certain sports then enter the inter-school events. This is an experience we feel is invaluable for our children, particularly with Ebchester being a small school. Some of the festivals and competitions attended were:

- KS1 gymnastics
- KS1 multiskills
- Dance festival
- Soccertots (Reception)
- Fun Run
- Hi-5 netball league
- Tag rugby festival
- Athletics competition

When asked, our student council said this was one of the experiences they really enjoyed at school. This is therefore something we will endeavour to continue and improve.

Having observed lessons taught by our PE lead, staff are given lesson plans and high quality training. This support is driving up the quality of the PE provision in our school ensuring the teachers are now even more skilled to take PE forward independently.

The positive impact of the Year 5 Young leaders training is easy to see. They successfully encourage and organise games in the playground as well as being on hand to help with sport and PE for the younger children in school.

More children are attending after-school sports clubs and more are becoming involved with sports clubs out of school.

	swimming	dance	gymnastics	football	rugby	karate	horse-riding	cricket	other	Total (activities)	Total (children)
R	3	1		1		1				6	6 (55%)
Y1	6	1		1	1	1	2			12	9 (69%)
Y2	1	1	2		1	2	3			10	7 (54%)
Y3		1	1	1	2			1	3	9	5 (50%)
Y4	1			2		1	1		4	9	7 (58%)
Y5	2		1	1	1	1	1	1	1	9	9 (75%)
Y6			1					1	1	3	3 (38%)

Sports clubs attended outside of school (Not after-school clubs) 2015 – 2016

The children need good quality equipment to take part in the lessons fully. The sports hall now has all sporting equipment to meet the long term plan which covers a broad and balanced range of activities.

We are a Rights Respecting School and aim to promote the right for all children to take part in special events and have access to healthy food. With our healthy initiatives and sports day we actively promote healthy choices and fairness to all. We aim to embed competition at all levels and hold annual sports days help achieve this.

A growing body of research literature finds that in addition to improved physical health, sport plays a primarily positive role in youth development, including improved academic achievement, higher self-esteem, fewer behavioural problems, and better mental health.

(<http://truesport.org/resources/publications/reports/psychological-and-social-benefits-of-playing-true-sport/>) At Ebchester we have noticed improved behaviour and concentration levels in the classroom.

We believe in access for all in sporting activities. To this end, we subsidise outdoor adventurous activities such as canoeing and rock climbing which we cannot provide in school.
